ARTICLE III

GRIEVANCE PROCEDURE

A. Definition

The term “grievance” means a complaint or claim that there has been an improper application, interpretation, or violation of any term or provision of this contract, administrative decisions, Board policy or state statute affecting a member or group of members.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to problems which, from time to time, may arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Filing a Grievance

A grievance may be filed by an individual member, a group of members or by the Association, either in its own name or as the representative of a group or class whose individual signatures shall not be necessary. Any grievance must be lodged at the proper initiating level within thirty (30) calendar days of the happening of the event.

2. Failure to Communicate a Decision

Failure at any step to communicate the decision on a grievance within the specified time limitation shall enable the grievant to move the grievance to the next level. Failure to appeal an answer, which is unsatisfactory within the specified time limitations, shall be deemed to constitute an acceptance of such response as dispositive.

3. Informal Attempt to Resolve a Complaint

An individual who has a complaint shall discuss it first with the Immediate Supervisor in an attempt to resolve the matter informally. However, if the complainant is the Association, the initial discussion shall be at the level of the Superintendent; and, in such event, if the problem is not resolved to the satisfaction of the Association within fourteen (14) calendar days after the conclusion of the discussion, the procedures prescribed in the subsections of this section shall become applicable.

4. Level One – Supervisor of Human Resources

If, as a result of the discussion, the matter is not resolved to the Satisfaction of the complainant within seven (7) calendar days, he/she shall set forth the grievance in writing to the Supervisor of Human Resources specifying:

- a. the nature of the grievance including specific citations of the contract, policy administrative decision or state statute alleged to be violated;
- b. the nature and extent of the injury, loss or inconvenience;
- c. the result of the previous decision;
- d. his/her dissatisfaction with the decisions previously rendered.

The Supervisor of Human Resources shall communicate his decision to the grievance in writing seven (7) calendar days of receipt of the written grievance.

5. Level Two - Superintendent of Schools

The grievant, no later than seven (7) calendar days after receipt of the immediate supervisor's decision, may appeal this decision to the superintendent of Schools. The appeal to the Superintendent must be made in writing, reciting the matter submitted to the Asst. Superintendent/Instruction and his/her dissatisfaction with the decisions previously rendered, as specified above. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed fourteen (14) calendar days. The Superintendent shall communicate his decision in writing to the grievant and the immediate supervisor.

Level Three – Board of Education

If the grievance is not resolved to the grievant's satisfaction, he/she, no later than seven (7) calendar days after the receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent, who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the grievant and render a decision in writing within thirty-five (35) calendar days of receipt of the grievance by the Board.

6. Right to Representation

Any grievant may be represented at all stages of the grievance procedure by himself/herself, or at his/her option, by (a) representative(s) and/or attorney selected and approved by the Association. When a grievant is not represented by the Association in the processing of a grievance, the Association shall be notified, at the time of the submission of the grievance to the Superintendent, or at any later level, that the grievance is in process. The Association shall have the right to be present and present its position in writing at all hearing sessions held concerning the grievance, and shall receive a copy of all decisions rendered. The Board and Association shall assure the individual freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his/her appeal with respect to the grievance.

7. Separate Grievance File

All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any participant.

8. Meetings and Hearings
